PURIS™ Finished Foods

CLEAN LABEL PRODUCTS THAT FEED HEALTH, HAPPINESS AND PEACE OF MIND.

COMPACT NUTRITION THAT SETS A HIGHER BAR.

As the basis of protein-rich portable energy bars, PURIS™ plant-based ingredients perform better by every measure — with no dry taste. Customize our ingredients to your lifestyle niche: from sports energy to portable snacks to meal replacement.

FORTIFIED CRUNCH FOR CEREALS, BARS AND BEYOND.

Our crisps add a satisfying new dimension to clean label foods, uniting great flavor and protein with a substantial crunch. Customize the texture with PURIS™ Protein Powders, dietary fiber, and starch — all powered by plants.

PURE PLANT POWER IN A BOTTLE.

Welcome to the ultimate in portable health drinks: no scoops, no shakes, no mess. Combine PURIS™ Whole protein powders to create solution-stable beverages that satisfy thirst with a blast of serious nutrition in every sip.

BREAKFAST STAPLES BEYOND SOYMILK.

For the milk- and soy-free lifestyle, our clean label dairy alternatives deliver ample protein, fiber and flavor in every sip. Made from non-GMO pulses to give people the versatility of dairy without compromise.

A NEW STANDARD IN GLUTEN FREE FOODS.

Create irresistible cookies, breads, cakes, waffles and pancakes full of protein and fiber. Made with only pure, plant-based ingredients, this is gluten-free baking as it should be: moist interior, crisp top, and wholesome, homemade taste.

FORTIFIED FUEL TO SCOOP, SHAKE, SAVOR.

Let's shake up protein drink convention. PURIS™ beverage blends deliver maximum daily protein and fiber with a clean taste people love. Combine PURIS™ protein, fiber, starch and pulse powders for a pure, plant-powered solution.
